[Cardream3serial](#)

The screenshot shows the 'dupeGuru Results' application window. The interface includes a settings gear icon, tabs for 'Details', 'Dupes Only', and 'Delta', a folder icon, and a search filter field. The main area displays a table of duplicate files with columns for Name, Folder, Size (KB), and Match %. The table lists various files, including PDFs and pages, with their respective sizes and 100% match percentages. A status bar at the bottom indicates '14 / 35 (2.25 MB / 7.28 MB) duplicates marked.'

	Name	Folder	Size (KB)	Match %
